ACADEMY

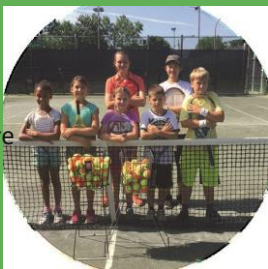

MONTREAL'S DAY CAMP DESTINATION FOR TENNIS LOVERS!

At the heart of Tennis & Sports Psychology Academy (TSPA) is our tennis day camp for 5-14 year-olds held at multiple locations in Montreal between June and August. In addition to tennis, soccer, pool and field trips, campers benefit from an environment that features both positive sports psychology and living skills.

Lessons

Delivered by TSPA-certified instructors, our tennis lessons are offered in a maximum 8:1 ratio.

Practice games

Fun, week-long exhibitions played on clay and hard court surfaces at our tennis facilities. Perfect practice makes perfection!

Tournaments

Friendly, round robin and weekly tournaments are organized throughout the season. Every camper “wins” at TSPA!

“

My son has attended the TSPA camp for the past several summers now and is already planning to attend next summer as well. He loves the pros, counselors and staff.

”

-- Maria Popova, McGill professor
