

Hi,

TSPA's Black Friday sale is a present to YOU with gift cards of up to 20%. Visit www.tspa.ca/gift for more information.

Purchase a gift card and get money in **your** account!

Give the tennis gift for a family, friend, pet, or even yourself! Remember, as a business owner, purchasing a gift card can increase your expenses. This offer is valid until December 1st and you will receive the credit in your account within 48 hours. See below for more details.

Amount	% credit
Up to \$250	5%
Up to \$500	10%

Up to \$1000	15%
Over \$1000*	20%

* maximum credit of \$400

For example, purchase \$250 and get 5% back into your account. That's a \$12.50 credit that you will pay less next season when you or your family get onto the courts with us. Purchase the maximum gift value of a \$2000 gift card and get a \$400 credit into your account!

We even created a TikTok video which you can see below.

Anyone who likes and or subscribes to the video will get a \$5 credit as well! Just send us the screenshot of your like or subscription (valid until December 1st). If you show us proof of a like or subscription to any other of our videos, blogs, or social media content, we'll add another \$5!

We'll see you on the rink... I mean on the courts!
