

Hi,

We are approaching the heart of the season! Have you participated yet? Are you interested in getting involved? Do you want to enjoy the exercise? Do you want to get better in tennis? Let us help you get on the courts. Please read a few items below.

We are pleased that we have added a few members to our Dream Team David Gabay, Leon Budker, Nicolas Dumesnil, Arthur Abramov, Mia Meltzer, Benjamin Gabay, Lorna Cantalare, Jackson Chan, Seta Matloub. Many of our staff have decided to return while some unfortunately have parted ways. We want to thank the following staff members for their dedication over the time: Adam and Danilla Miller, Alex Kofman (over 10 years!), The Vinh Vu, Oliver Whitman, Haris Elozovic, Lily and Grace Jast, Michaela Oiknine, William Tao, Daniel Tehrani (exceptional camp director), Jonathan Teitelbaum (a true representative of what we strive to achieve within the TSPA Dream Team), Josh Yacoub and honourable mention should go to our former camp director of the Caldwell Tennis Courts Ben Kepes. You can read about our current staff members named the TSPA Dream Team by going to [www.tspa.ca/staff](http://www.tspa.ca/staff).

### **Camp:**

Our week 0 (June 20-27th) got cancelled because we did not get enough registered campers. Our first official week is June 27th 2022 and we will operate for 9 weeks thereafter. It is still not too late to register. We also offer half days (9-12 or 1-4pm) or full days. Our camp qualifies for Relevé 24 receipts in which you get 26-60% back in tax credits depending on family income. Our prices will go up after July 1st. [Read more.](#)

### **Field Trips:**

Our outings are back again this year. [More info](#). We are working on a first come first serve basis. Please make sure if you are planning on attending the field trips to register for it. ([More info](#)). For all these special activities, please note that our initial departure and arrival will be at the Caldwell Tennis Courts (5785 Parkhaven) no matter which location you have registered for. We generally leave at 9:00am and return for 4:30pm.

We will update our arrival via email and on our home page. We plan on going to Parc Safari on June 28th, the Mont Saint-Sauveur Water Slides on July 5, La Ronde on July 19th and IGA Stadium to watch men's tennis on August 9th. In order to register, you must login, click the week that your child is

registered and then click on options. From there, follow the prompts. We also allow campers who are not registered for the week to join us.

### **Clinics**

We will add more clinics in the next week or so but as always you can login at the top of the page on our website and click "Make a Reservation". Choose the person you want to register and only the lessons that the person is eligible will appear. For example, choose a child and children's lessons will appear; choose an adult and only adult lessons will appear. We update them regularly so feel free to check often. These clinics are a drop-in style and no membership and no commitment is required.

### **Private Lessons**

Take a few moments to go over our staff page at [www.tspa.ca/staff](http://www.tspa.ca/staff) and see who is available and who may make a good fit for your private (or semi-private lesson). This is a great opportunity to improve your skills without others on the court. It is more individualized and one on one.

This includes \$50 off for camp with our refer a friend promotion, writing a review on us and earning up to \$15 (in which you can do twice), free clinics, and taking a course in sports psychology and earning \$10 while you learn about essential mental skills.
