

Hi,

Our fall programming is here! We have also added 5-6pm free play and instructional tennis Tuesdays - Fridays with Lior at the Club until demand persists. Yes, this is your last chance to get more coupons and enjoy after school tennis. Camp early bird special ends September 1st. We are also offering up to \$150 credit if you purchase a gift card with us.

## Camp

Friendly reminder deadline for our early bird is September 1st. ([prices](#)). You will notice this is almost 50% off! If you want to save money this is the time to book camp for your child. We have eliminated the membership requirement at the Club and Caldwell (formerly \$80 extra). You can even move the weeks as you get closer to camp (if space permits) and spread your payments into up to six instalments. **Register by September 1st.** [See the prices.](#) [Video](#)

## Clinics

**\*\* New \*\*** We have added after school tennis from 5-6pm with Lior for recreational tennis for kids 5-17 years old at the Tennis Club! This features mostly games and some instruction. Space is extremely limited and for now, we will offer this until the middle of September. If demand persists, we'll add more sessions. As you know Lior has over 25 years of experience in the elementary and high school system and #1 mission in life is to ensure the kids learn and have a good time. Hurry, as we work on a first come, first serve basis and the price is only \$20 tax included! We will have access to two courts and divide the participants based on skill level mostly and then age. We also will have the high-

performance junior classes (ages 10 and up) on another court at the same time (5-6pm) with Michael.

As always, in order to participate in a clinic, you must register. You can even register at the last minute or the last second for that matter! Login from the top of our website and follow the prompts. Look at the table below for more info. There is no commitment, no membership fee required and our prices include tax which is usually up to \$20! You will get some exercise and meet our pros as well as other fellow eager tennis enthusiasts!
