

Hi,

We are pleased to have hired a new pro: Saeed Rezaei. He recently came to Montreal from Iran and has a wealth of knowledge in tennis. He will be an AMAZING addition to our team and is wonderful with children and adults of all skills. All he wants to do is teach tennis!

You can read more about him and all our staff including their availabilities to teach private lessons on our [staff page](#). You can contact the pros directly for private lessons, and for example with Saeed, his hourly rate is only \$55 tax included (plus the court fee of up to \$10) unless you are a [TSPA VIP](#). We have added a few potential lesson hours for a private lesson on Monday June 5th at the West End Gym from 4-5pm and from 6-7pm and 7-8pm in which you can register on your own online. Otherwise, contact him or our pros and you may organize a lesson with him directly.

Our morning round robins have been adjusted to 9:30-11am Monday - Thursdays for \$25 plus a \$3 unless you are a [TSPA VIP](#).

We have added round robins on the weekend for almost every [skill level](#). We will have four courts (potentially even a 5th) so that strong

beginners, intermediates, and advanced players can play a variety of singles and doubles games. This is a great opportunity to play at prime time! We will separate by skill level and it should be enjoyable for all! Cost is \$20 plus a \$3 court fee unless you are a [TSPA VIP](#).

We have also added Saturday morning lessons for adults, for strong beginners, at 9 and 11am as well as intermediates at 10am (with Saeed).

You can see all the lessons available by going to our [clinics page](#) or seeing the table below.
