

Hi,

Have you ever tried to be aggressive? Very aggressive? Most of the time, in tennis, it's safer to go cross court. This newsletter we are going down the line and being SUPER AGGRESSIVE! We have a limited time flash sale for camp until July 1st, clinics until August 1st and a social media offer until September 1st and even more!

Camp

Have you already registered somewhere else? We will pay cancellation fees (up to \$50) for the entire 2023 season! You know your child wants to be with us :) Still having some doubts? Use our [refer a friend form](#) and save another \$100 on a second week of camp! If you let us know how we did in the past - whether or not you have used our tennis camp services before by filling out [this form](#), then we'll add another \$50 in your account.
