

Hi,

We would like to remind you that during the season of giving, the TSPA gift card is your solution for someone who enjoys tennis.

Click [here](#) for more information.

We are also pleased to offer you additional strike days on Friday December 8, and from Monday December 11-Thursday December 14.

We have also added a homework activity so make sure your child brings something to work on (and yes, make sure they have a pencil or pen!) as we will supervise the homework help with a qualified person!

Our activities start at 9am but drop off can take place as of 8am no charge and end at 4pm with pick up until 4:30. Early and after care service available for \$10. We will be playing a variety of sports and have an opportunity to work on school work with a qualified teacher such as me, Lior Doron, who has over 25 years of experience as a qualified teacher in elementary and high school in both English and French. Please note all equipment will be provided but if the child has their own it is preferred to bring it. We will have:

- Tennis
- Pickleball
- Basketball
- Ping-Pong
- Fitness training including running around a track
- Homework help

We must have a minimum of 10 participants the day before in order to have the activity. We'll let you know if we received the minimum registration numbers by sending you an email if the program does not take place by 4pm the day before.

When? Friday December 8, Monday December 11 - Thursday December 14.

Where? West End Gym, 6585 Mackle
