

Hi,

We have opened up some clinics and priority registration will be given to [TSPA VIP's](#). As of Friday, anyone can register. We will be adding more within a week or two so feel free to see the website more often as linked below.

The easiest way to find out what clinics are available is to login and click make a reservation for that person.

With regards to private lessons, David Gabay, David Essebag, Radu and Michael have some availability and their schedules can be seen on the [staff page](#).

We'll see you on the courts!

Sincerely,
