

Hi,

TSPA is pleased to announce that we have recently hired Stephanie Friedman who will be teaching pickleball at the Caldwell Tennis Courts located at 5785 Parkhaven in Côte Saint-Luc for at least the next two weeks! She comes from an extreme sports background and has been one of the pioneers teaching the sport since its early debut. If you are a strong beginner or weak intermediate these clinics will be a wonderful way to introduce you to the sport and help get you better. There are private classes as well in which she can teach. See the flyer attached. Some of her adult clinic availability (maximum six players per court) for the next two weeks is designed for strong beginners which is someone who can hit the ball consistently (not necessarily accurately) and is somewhat athletic is as follows:

Monday September 30, October 3, 4, 7, 8, 9, 10, 11 from 10-11:30am and from 5-6:30pm (except for October 2) for \$25 per hour or \$37.50 and less if you are a VIP ([more info](#)).

Private lessons (prices on the flyer attached) can be from 11:30am-12:30pm on these dates or on Tuesday October 8 from 6-7pm or by appointment. No membership or commitment required. It is simply a drop in but registration is required in advance.

For more information on her availability for private lessons, you can contact her at [sfriedman@tspa.ca](mailto:sfriedman@tspa.ca) or 514-953-0131.

Sincerely,  
Lior Doron
