

Hi Tennis Enthusiast,

Before showing you the clinics schedule a few updates.

Camp: The West End Gym location is no longer available for weeks 1-8 starting June 24, 2024. We are exploring options to return to the Côte Saint-Luc Tennis Club and use the facilities nearby including the newly renovated Kirwan Park. Unfortunately, we had to **increase the age requirement at the Club for camp to a minimum of seven years old** to accommodate this situation.

Private Lessons: Please visit our [staff page](#) to book lessons directly with the pro. Their schedules are posted.

We are very excited to unveil our clinics and activities for this season. They start May 6th and generally have a 7 week commitment (until June 23rd). It features one of our most ambitious plans ever! Take a few moments to see our annual newsletter video.

Our team consists of the finest pros. Michael Sidawi is returning and he has over 40 years of experience. We have rehired Radu Gruia, Saeed Rezaei and Oliver Whitman. We will welcome Mario Mariategui from Peru who will join our team ([more info](#)). Please see below our clinics and activities depending on age and skill level. If you are a TSPA VIP ([more info](#)), you will save on lessons. The cost (tax included) of these activities vary from \$20-\$25 per hour for clinics depending on the type of activity and pro. The cost for round robins (for 90 minutes) is \$25-\$30 and the league cost is \$20-\$25 for 90 minutes. Hurry up as space is extremely limited. Tell your friends! See the age group and categories and take careful note where the location takes place.
