

Hi first name,

As we are getting ready to hit the heart of the season - the summer - a few important pieces of information and reminders. We would love - excuse the pun - to have you part of this experience.

Camp:

We offer a recreational (beginners and weak intermediates) and high performance (intermediates and advanced) tennis camp in Côte Saint-Luc for children ages 6-14 years old. We are excited that [Kirwan Park](#) will be our new home and this is part of a multi-million dollar facelift to the park. We will be the first camp to enjoy it! The park is right next to the CSL Tennis Club and we are super excited to use this facility too. It will be like a private country club just for the kids!

Are you aware that in order to play tennis, your camper needs either tennis or flat soled tennis shoes? We sell them (by appointment only) for either \$60 or \$80. We have a limited stock up until size 7. Please reply to this email with a shoe size and your availability. Remember for every \$20 spent, you get another coupon - what a great way to earn even more coupons. [Browse the online store.](#) [Find out about coupons.](#)

We also ask to bring an umbrella and will add this to our [checklist](#). In the case of rain, we are planning on having activities i.e board games, learning sports psychology etc. and will have shelter using the

overhang at the Kirwan Chalet. Rest assured, once it stops raining, we will have access to the basketball courts (we'll get them dry fast) and the good news with clay courts is that the water can be absorbed quite quickly and it certainly helps when there is some sun. We are also planning on playing volleyball and soccer, and remember the children have access to their private pool every day supervised by a lifeguard.

Half day and full week registration is still available but spots are limited. Morning registration can be from 9-12 (drop off as early as 8am and pick-up as late as 1pm) or 1-4pm (drop off as early as 12pm (noon)) and pick-up as late as 4:30pm.

Save with tax credits: As always, our camp qualifies for official Relevé 24 receipts so that you can save money on your taxes ([more info](#)).

Refer a friend: You can use [this form](#) to refer a new friend and both of you will save \$100 on camp registration.

Already registered elsewhere? We are so confident that your child will have a better time with us that if you show us the cancellation fee from another camp, we will reduce this amount from your fee! For example, send us the \$50 cancellation penalty from a competing camp and we'll put a \$50 credit into your account so that your child will have a better time with us!

The TSPA camp has been operational for over 20 years and **is the best summer camp in the City!** [Learn More](#)

Already Registered with Us?

- 1) Drop off and pick-up: Please drop off and pick up your child from Kirwan Park located at 5732 Wentworth H4W 2S1. If you notice this, it applies to both our high performance tennis camp called Tennis Max and our recreational camp.
- 2) Since we do not have enough participants to have our field trip on week 1 (Parc Safari) and week 2 (Mont Saint-Sauveur Water Slides), anyone who signed up will get a full refund.

Clinics or Group Lessons

We have our spring session currently taking place that ends on June 23rd. You can login now from our homepage at the top of the website and see which classes you can join as a drop-in session with no requirements to be a member of the Club. Thereafter, our first part of our summer session takes place and starts the week of June 24th (except on Mondays it would start the week of July 8th). Every lesson requires a four week commitment except the lessons on the weekend. The cost can range depending on the pro who is teaching from as low as approximately \$18-20 per hour as a VIP ([more info](#)), \$20-22 as a member of the Club or up to \$23-\$25 per hour as a non VIP / member. Once the weekly session starts, you can sign up without a weekly commitment and simply join class by class or what is called a drop-in.

Every week there is a different theme and so the lessons are always different. In addition, it is a worthwhile investment in your health, exercise, and meeting others. See the schedule below or visit our [clinics page](#). Our online registration system will have the latest updates and so it is in your best interest to login from our home page www.tspa.ca (at the top of the page) and see which classes are available.

Private Lessons

This remains the best way to get more individual attention. Want a friend or several friends to join on this private instruction with your own court and pro? See the [staff page](#) and contact the pro directly.

As always, if you have any questions, please do not hesitate to contact me. It will be my pleasure to get you on the courts!

Sincerely,

Lior Doron
